Failure to Display Receipt

Dear Honorable Judge,

I certify as follows:

I am not guilty of this parking violation because:

I paid for the parking time

-I was charged with failure to display the receipt. But I paid for the parking time using my Park NYC App.

I registered two cars on my app. One was a Subaru bearing plate# X, while the other was a Tesla with plate# Y. However, when I paid for parking, I mistakenly pressed plate # X. Likewise, payment for parking time was assigned to the Subaru instead of the Tesla (the car I parked).

Meanwhile, the Subaru is a leased car provided by my employer, and I am the only authorized driver. It was parked at my home in NJ when this parking ticket was issued (I live with my wife and 16-year-old son).

I have submitted a series of exhibits in support of my defense.

Due to these circumstances, please dismiss this parking ticket.

Thank you.

-I certify that my testimony is true to the best of my knowledge. I fully understand that I am subject to punishment if my testimony is willfully false.

-I certify that the images and photos in my exhibits are true and accurate reproductions of the originals as they existed on the date/time this parking ticket was issued.

Respectfully submitted,

Joseph Smith
